For further details on any of the trips please contact the named organiser. If you would like to attend a trip please let the Organiser know at least 1 week in advance. Many events are free to take part. Where costs are incurred (eg pool sessions) members will be charged whether they turn up or not.

If anyone would like to organise an event please contact Philippa Fancourt on 01908 232070 or email [Flipperevans@btinternet.com](mailto:Flipperevans@btinternet.com) and I will be happy to add it to the programme.

Both water levels and weather can affect events, so trips may be changed or arranged at short notice so keep checking the mkcanoeclub yahoo group for updated messages.
